§ 52.082 Summer Water Usage Wastewater Billing Credits reads in part:

“(A) In order that the single-family domestic and residential users of sewage service shall not be penalized for sprinkling lawns during the summer months of May, June, July, and August, such customers may apply for a Summer Sprinkling Credit. In the month of April of each calendar year, a single-family domestic or residential customer, who has been a customer of the town water utility continuously from January 1 of that year and is not delinquent in the payment of any of the rates and charges of that water utility at the time of application may apply, on an application available from the Town Clerk-Treasurer for that purpose, for a prospective summer sprinkling credit for any or all of the next four (May, June, July, and August) utility billing periods.”

**** I, as principal occupant of above address, have occurred usage charges from the Town of Andrews for wastewater utility, as evidenced by water consumption figures, during the months of January, February, and March of the current year.**

By signing this form, I verify the above information is accurate and that I am eligible to receive the wastewater summer sprinkling credit.
