Project Engineer Eric Woodmansee will review the bid and make a recommendation to Council at the Monday, March 22<sup>nd</sup> regular council meeting.

**OTHER BUSINESS**

The FEMA Buyout project's priority list of properties was discussed. The Town expects the project to begin this year. Questions remain on the demo process and the coordination of payment arrangements between the Town, County, and FEMA. The existence of unsafe buildings in the downtown area was recently brought to Council's attention. The County flew a drone over the area last week to inspect roof conditions to aid the DCD with their inspection process. Those images are not available yet. Council has given the owner of 57 N Main St six weeks from today, or until April 26<sup>th</sup>, to make repairs to the damaged roof. The DCD has begun the title search process for the 75 S Main St building.

With no further business to be discussed at this time, Laura Dillon made a motion to adjourn the meeting at 2:23 which was seconded by John Harshbarger.

Approved this 22<sup>nd</sup> day of March 2021.
