

HUNTINGTON CITY LANDFILL IS PERMANENTLY CLOSED 2019

On March 29, 2019 the Huntington City Landfill will permanently close. This means that we will no longer be accepting any solid waste, construction debris, concrete or the like. This landfill, opened in 1970, has served the citizens of Huntington for a very long time and we thank you for your patronage over the years. In order to help with the transition below is a list of information that may be useful. For your convenience, the nearest landfill is:

Republic Services, which is located at 316 Spring Valley Road, Wabash, IN 46992.
You may call at (800)989-2539 for more information.

Solid Waste - Hazardous Waste

Huntington County operates the Solid Waste District which will remain open for business at the landfill site. The Solid Waste District provides a place to dispose of hazardous waste, used electronics, unused pharmaceutical products and much more. More information about their services can be obtained by calling (260)358-4886. You may also visit their website at: <https://www.huntington.in.us/city/department/division.php?structureid=331> Hours are Wednesdays 7:00 a.m.-3:00 pm., and also 1st and 3rd Saturdays of the month 8:00 - 11:30 a.m.

Brush/Grass Clippings/Leaves Disposal

For now brush, grass clippings and leaves will continue being accepted. Please note that acceptance or disposal fees are subject to change. Questions can be directed to (260)356-0432.
